Is there any information about the group that it would helpful for us to know in planning the course? (For example recent tragic events in school, a particularly musically gifted year group, a group familiar with residential retreats, any individuals with physical disabilities)

Each day at Castlerigg ends with night prayer lead by the Castlerigg team. A few schools like to deliver a night prayer themselves, usually on Thursday night. If you would like to do so please indicate here. Be warned though there is little time on course to prepare them.	
Castlerigg Manor courses involve group work and school parties are generally divided into 6 small groups. On rare occasions we divide very large parties into 7 groups. If you think this may be necessary for your course please indicate here.
